

The Employees Charitable Campaign is an easy way to express your caring!

WHAT IS THE NJECC?

In 1985, the NJ State Legislature enacted a Law providing NJ State and Local Municipal employees the opportunity to contribute to a multitude of charities through payroll deduction. The NJECC is the only fundraising campaign authorized to solicit charitable contributions in the state/local municipal employee workplace.

WHEN CAN I PARTICIPATE IN THE CAMPAIGN?

The open campaign solicitation period is September – December every year.

WHY SHOULD I GIVE?

The NJECC is a direct way to help those in need sustain local, national, and international health, educational, environmental and social service organizations, and make a meaningful contribution to your community. Giving through the NJECC is cost efficient, 90% of every dollar contributed goes directly to programs and services. Only 10% of the total amount raised is used for administrative costs.

WHERE DOES MY CONTRIBUTION GO?

That is up to you. You can designate your gift to any of the charities listed in the NJECC brochure. Charities participating in the campaign must be registered with the Office of Charities Registration for the State of New Jersey and apply to participate in the NJECC each year.

WHAT IS THE EASIEST WAY TO GIVE?

Payroll deduction is the easiest and most efficient way to give to the NJECC and allows you to make a meaningful gift one paycheck at a time. It is an easier method of giving rather than a larger one-time gift.
