- Attend a training workshop to learn best practices for engaging your colleagues.
- Review last year's campaign with executive management to discuss what worked and what you would like to do differently.
- Don't do it alone! Recruit a POWERFUL team. Recruit coworkers who care about the community and are excited about the campaign.
- Develop a fun and exciting plan that includes a kickoff and timeline, virtual charity fair, and other activities and events.
- Work with your department executive to engage senior leadership and management in promoting the campaign and encouraging participation. Share your campaign plan and get their endorsement.
- Promote the campaign to educate, inform, and build enthusiasm. **We have resources for you! You can download and print ready-to-use resources, including logos, e-cards, employee messages and graphics, posters, flyers and more at www.NJECC.net (select "Campaign Resources" from the navigation menu and click on "Volunteer Toolkit").**
